

WRIGHT "B" FLYER, INC

The Wright "B" Flyer organization is financed by contributions from flying enthusiasts and sponsors. Ohio residents have a unique and easy method to support this effort to preserve the historical contributions of the Wright Brothers.

The Ohio Bureau of Motor Vehicles offers a special "Leader in Flight" license plate. The plate may be requested by completing a "Request for Special License Plates" form and checking the "Leader In Flight" box. There is an additional fee for these plates, which includes a \$15 tax-deductible contribution to Wright "B" Flyer, Inc. This form may be obtained at any Ohio Bureau of Motor Vehicles location or at the Wright "B" Flyer Hangar.

For further information, please contact the Wright "B" Flyer, Inc, (937-885-2327 or wbflyer@dayton.net).

Approximately **one-third** of our funding derives from the sale of these special plates.
